Old Business

Rink Report - Gord

New Business

Rink Vandalism & Restitution - Shawna

Rink Security System Upgrade – Lynn

Security Signs – Kym has purchased x4 24hour surveillance signs. Gord has put them up around the rink.

Adding Timeslot for No Sticks/Pucks - Many requests from community members – requesting a time slot for non-hockey skating.

Starting Suggestion - 1 hour in Morning and Afternoon 9-10am, 4-5pm Any other suggestions for times?

Signs only, up to participants to monitor and enforce. Will not be up to LCA members to supervise.

This does not mean that non hockey players cannot go out at other times, it is still strongly encouraged that all skaters respect each others ice time. This just allows for skaters to go out and not be put in danger of sticks and pucks. If approved, must have signs printed and posted. (Need someone to take this on)

Motion – Post Signage for No Stick & Puck Ice times from :00am - :00am and :00pm - :00pm.
